HEALTHY LIFE ENVIRONMENTS IN L'ALFÀS DEL PI

Participatory process to assess the quality of the spaces in the municipality where you live

Living environments is a tool used to improve the quality of the places where people live, work, socialise, age...

In the municipality of L'Alfàs, within the V Health Plan of the Valencian Community, we are trying to detect all those resources and factors that help residents to maintain and improve their health.

We would like to know your opinion, as you are the one who knows best where you live.

Fill in this short survey and tell us what you think (answers are anonymous).

Each question is scored from 1 to 10, with 1 being the most negative and 10 being the most positive.
